Chicago Inter Soccer (Girls) and SW Soccer (Boys) are focused on a specific and consistent age-appropriate soccer philosophy, with teams playing at the highest levels of competition in Illinois. The girls and boys participate in both local and national level tournaments. Our organization uses proven methods to develop soccer skills of young players while still having fun! We make it our highest priority to get exposure for our older players to college coaches and universities. Our training staff is made up of pro and semi pro European players, who care about kids and the advancement of the game in the United States.
